Church History (Part 1 & 2)

This course will provide a simple-to-understand overview of the history of the Christian church, from Jesus and his original disciples to the present church. We will explore the triumphs and challenges of the church throughout its history, as well as the men and women who made today's church possible. The story of the Christian church from the first century to the present age is nothing short of remarkable. Throughout its history, it has touched the lives of every nation, tribe, and tongue, and continues to do so today. This course will cover the effects of recent events on the life of the church, the influence of technology on the spread of the gospel, and how Christianity intersects with other faiths in countries around the world.

Course Length: Summer and Fall semesters

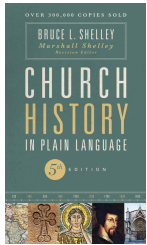

Registration Fee: \$30
